

Following in the footsteps of our namesake, the MTCES community supports various outreach initiatives to benefit the less fortunate, sick, and suffering. If you are interested in supporting the poor by contributing to our clothing collections, please consider dropping off items in the collection boxes near the school's front entrance.

## **IT'S SOCKTOBER TIME!**

The 5th grade is beginning their service project for the month of October. We are collecting new, packaged socks for infants through adults. Please drop sock donations in the box by the Office. All socks will be donated to a local homeless shelter. Thanks for helping us!

## **HELP 7TH GRADER KATHLEEN STRATMAN REACH OUT TO THE RURAL POOR OF KENTUCKY**

- To support the West Liberty, Kentucky Outreach program at St. Max parish, Kathleen is collecting new socks, pajamas, and underwear for toddlers and children (up to size 12).
- Contribute items to the collection box near the front office.

*"Let us touch the dying, the poor, the lonely and the unwanted according to the graces we have received and let us not be ashamed or slow to do the humble work." ~Mother Teresa*
